

Open Evening – Thursday 16th July

It was lovely to see so many children with their families and carers at our Open Evening. This was a fantastic opportunity for our children to proudly share their work and achievements from throughout the year. The children were also able to visit next year's class to introduce their new teachers to their guests and also to find out about all the exciting things they will be learning in the future. A huge thank you also goes to the staff who worked so hard in preparation for this event. Thank you for the really positive feedback we have received from parents who have shared what has gone well for them and their children this year.

Here are some of the comments we received:-
